

## About Us

JLH Recruitment are one of the fastest growing hospitality recruitment agencies in the UK supporting clients across the UK and international recruitment markets. We work in partnership with some of the biggest brands within hospitality and support them with a team of dedicated recruiters that understand what each unique client is looking for.

JLH is built on our combined commitment to provide our clients with effective recruitment solutions and an open and productive consultation that addresses their needs. We ensure our selection of candidates is based on individual client requirements and that they make a true difference by adding value to their business.

Our consultants come with extensive hospitality and recruitment experience which gives us an enviable, top quality network at our fingertips

Our specialist areas include management within F&B Operations, Executive Chefs and brigade, Sales & Marketing, Finance & Revenue Management, General Managers, HR and other senior management positions.

## JLH

## Why choose us?

At JLH we offer our clients a number of recruitment of options;

**Executive Search** – Our results within the Executive Search field are second to none. In 2023 we have an astounding success rate of over 90% of the roles briefed we have successfully placed. This comes from our extensive network that has been built across the past combined 40 years recruiting and working within the hotel industry. We take the time to understand your needs and only send the best quality of candidates for you to interview.

**Contingency** – Our day-to-day recruitment carried out by all of our consultants. Through effective and open communication, we can deliver the right candidates for your business to grow. We have a proven track record of delivering excellent candidates that truly embody what your business truly believes in and needs.

**Fixed Term Appointments** – Through our extensive network of candidates, we can support businesses with fixed term recruitment solutions, should you require to bolster up your team or add support through extremely busy periods of business. This allows our clients to rest easy because our outstanding quality of candidates can support them throughout the year
