Utility Tray L

Assembly Instructions

PARTS INCLUDED

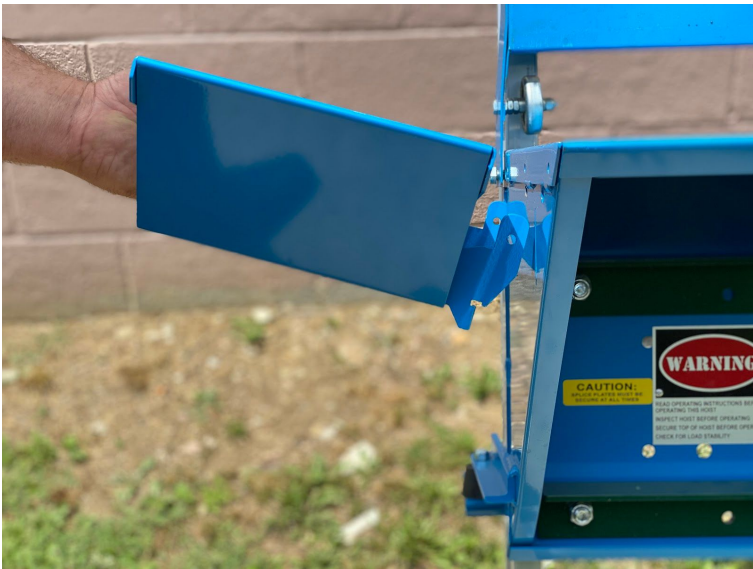

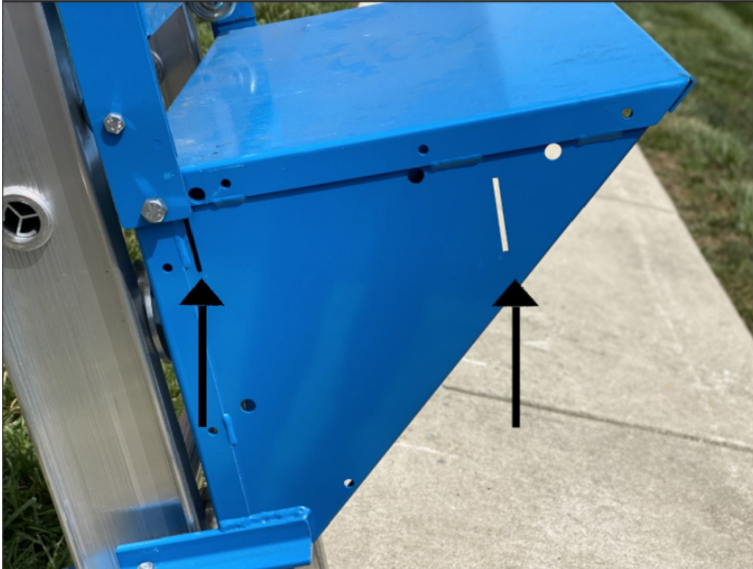

The Utility Tray L assembly kit will come with **the pre-assembled Utility Tray L, a pair of deck extenders, and a hardware pack including (4) nuts, (4) bolts and (8) washers.**

INSTRUCTIONS

1. Remove **pre-assembled Utility Tray L, deck extenders and hardware pack** from packaging

-
2. Key **deck extenders** into pre-cut slots on each side of the carriage and secure

3. Place **Utility Tray L** on the top of the carriage and align with the (2) pre-existing deck extender mounting holes per side.

-
4. Fasten using (1) nut, (1) bolt and (2) washers per mounting hole. Repeat for each of the (4) mounting holes.

5. Use barrel bolt spring loaded locking latch to pin flap in vertical position

6. Assembly is complete and you may now begin using your **Utility Tray L**
