For too long the most popular golf accessories have remained stagnant and boring. Caddy Splash creates modern-day and innovative golf accessories that reimagine the ones of the past. A golfer's bag and the tools they use are a reflection of the type of player they are and aspire to be. We are upgrading the modern golfer's toolkit by creating sleek and utility-based products that help lower scores and allow any golfer to make a statement on the course!

REAL-TIME REVEIWS

★★★★★ Perfect after every shot

Very convenient on the golf course especially after shots where you are not close to ball wash stations. I use it for balls and clubs!!

★★★★★ Keeps my clubs clean

Great product.
Easy to use but extension cable is the best. Nice and dirty clubs are no longer an option. Good value \$

★★★★★ Best golf gift/tool!

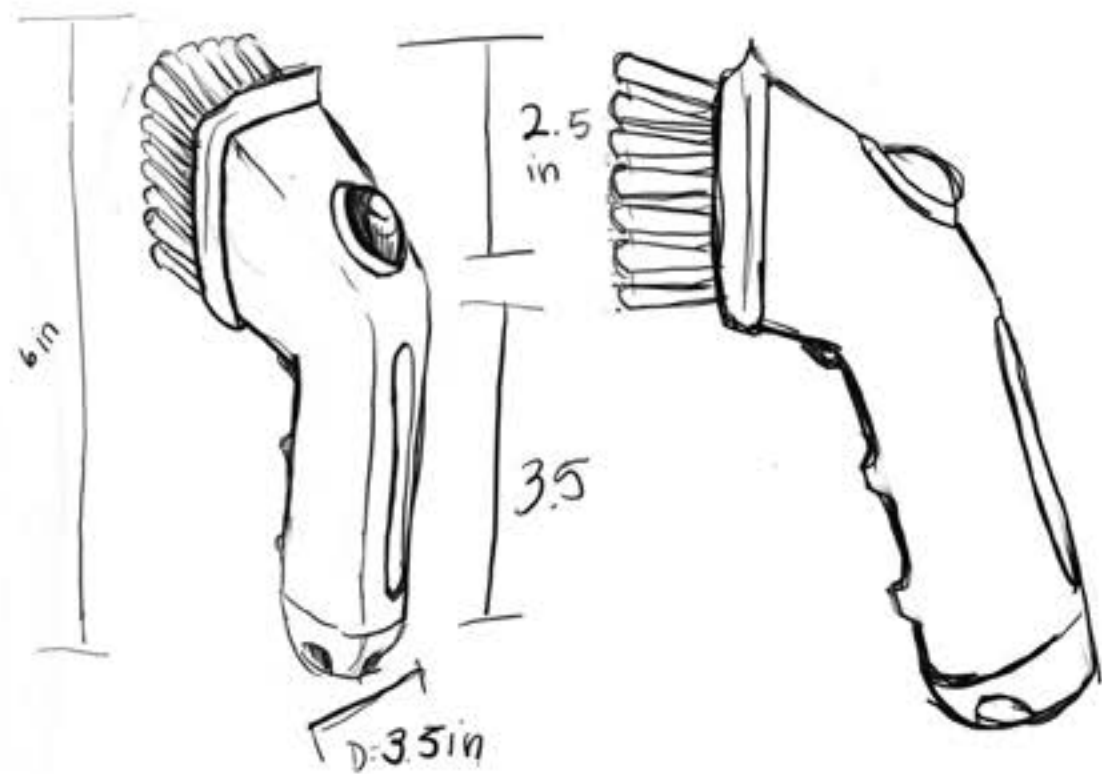

★★★★★ Effective and Easy

Very easy to use and works better than expected. This is a great practical and affordable gift idea.

TEAM SPLASH & *Journeys*

Supporting junior golf and sponsoring junior tournaments allows Caddy Splash to positively impact younger golfers. We want to support junior golf because it is the future of our game. They will be the ones that help craft golf and pass it on for generations to come. We want to be a resource for any junior golfer. Whether it is our products to just someone to talk to we want to be there for them and continue to help them grow!
