

1/4" BRAKE LINE FITTING ASSORTMENT

SAVE TIME & MONEY

- COMPLETE**
 No wasted time searching for the right fitting. Contains all the 1/4" adapters, unions, and tube nuts for working on and creating any 1/4" brake system.
- EASY**
 Simple and clear full-color guide makes finding the right fitting a snap. Also makes refilling quick and easy.
- COST-SAVING**
 Reduce labor time and cost by having the right fitting on-hand when it's needed. Cut wait time to zero!
- FLEXIBLE**
 Can be used with any 1/4" brake tubing. Match tubing to your application. Use standard steel for economical applications or NiCopp® where rust resistance is extremely important.

Contains 26 fittings

⚠ WARNING: Cancer and Reproductive Harm - www.P65warnings.ca.gov

EASY BRAKE LINE REPAIR & REPLACEMENT

Contains the 8 most common fittings - 3 Adapters - 4 Tube Nuts - 1 Unions*

*See contents on back

Use with all 1/4" brake systems

- Domestic
- Japanese
- European
- British

BLFA-9
From the largest manufacturer of brake lines in North America
