

NEW ADDITIONS TO THE AGS GREASE PRODUCT LINE!

AGS premium greases are specially formulated to stand up and protect in extreme conditions and temperatures. A grease for every application.

- Long-Lasting Strength
- Water & Heat Resistant
- Anti-Wear Properties
- Rust & Corrosion Barrier
- NLGI #2 Grade

AGS Specialty Lubricants Quick Guide

Grease	NLGI Grade	Working Temperatures	Rust & Corrosion Inhibitors	Anti-Wear Properties	Water & Heat Resistant	Color	Applications	Packaging Sizes
Multi-Purpose Lithium Grease	2	10°F to 200°F (-12°C to 193°C)	✓	—	—	Black	Auto Home Farm	· 3 oz. Cartridge - 3pk · 14 oz. Cartridge · 16 oz. Tub
Marine Wheel Bearing Grease	GC-LB 2	-30°F to 325°F (-34°C to 163°C)	✓	✓	🔹	Blue	Marine Wheel Bearings U-Joints	· 3 oz. Cartridge - 3pk · 14 oz. Cartridge · 16 oz. Tub
Wheel Bearing Grease	GC-LB 2	-40°F to 325°F (-40°C to 163°C)	✓	✓	🔹	Amber	Auto Marine Farm	· 3 oz. Cartridge - 3pk · 14 oz. Cartridge · 16 oz. Tub
Lith-Ease® White Lithium Grease	GC-LB 2	0°F to 355°F (-18°C to 179°C)	✓	✓	🔹	White	Auto Home Farm Marine	· 1.25 oz. Tube · 3 oz. Cartridge - 3pk · 8 oz. Tube · 10 oz. Aerosol · 14 oz. Cartridge · 16 oz. Tub

MULTI-PURPOSE LITHIUM GREASE

Multi-Purpose Lithium Grease is a premium oil base grease with load carrying capabilities perfect for most general applications.

- Long-lasting, heavy-duty lubricant
- Protects against rust and corrosion
- Reduces friction between moving parts
- An NLGI #2 grease
- Temperature range 10°F (-12°C) to 200°F (193°C)

Part No.	Description	Case Qty
WLMP3-3	Multi-Purpose Lithium Grease, Cartridge, 3 oz 3-pk	6
WLMP-14	Multi-Purpose Lithium Grease, Cartridge, 14 oz	10
WLMP-16	Multi-Purpose Lithium Grease, Tub, 16 oz	12

MARINE WHEEL BEARING GREASE

Marine Bearing Grease is a premium lithium complex grease specially formulated to stand up in the harshest environmental conditions.

- Superior rust and corrosion barrier
- Water and heat resistant
- Anti-wear and extreme pressure strength
- Water insoluble formula
- Drop point 500°F (260°C)
- Rated GC-LB by NLGI #2 Grease
- Temperature range -30°F (-34°C) to 325°F (163°C)

Part No.	Description	Case Qty
WBG-3M	Marine Wheel Bearing Grease, Cartridge, 3 oz 3-pk	6
WBG-14M	Marine Wheel Bearing Grease, Cartridge, 14 oz	10
WBG-16M	Marine Wheel Bearing Grease, Tub, 16 oz	12

WHEEL BEARING GREASE

Wheel Bearing Grease is a premium lithium complex lubricating grease with high film strength, extreme pressure (EP) and anti-wear properties designed for extra stability under storage and extreme service conditions.

- Protects against rust and corrosion
- Water and heat resistant
- Drop point 500°F (260°C)
- Rated GC-LB by NLGI #2 Grease
- Temperature range -40°F (-40°C) to 325°F (163°C)

Part No.	Description	Case Qty
WBG-2	Wheel Bearing Grease, Pouch, 80 g	48
WBG-14	Wheel Bearing Grease, Cartridge, 14 oz	10
WBG-16	Wheel Bearing Grease, Tub, 16 oz	12

LITH-EASE® WHITE LITHIUM GREASE

Lith-Ease® White Lithium Grease is a high quality, long-lasting, multi-purpose grease anywhere metal meets metal. Excellent for general maintenance applications. Will not melt, run, or freeze.

- Protects against rust and corrosion
- Water and heat resistant
- Rated GC-LB by NLGI #2 grease
- Extreme pressure and anti-wear properties
- Temperature range 0°F (-18°C) to 355°F (179°C)

Part No.	Description	Case Qty
WL-1	Lith-Ease® White Lithium Grease, Tube, 1.25 oz	12
WL3-3	Lith-Ease® White Lithium Grease, Cartridge, 3 oz 3-pk	6
WL-8	Lith-Ease® White Lithium Grease, Tube, 8 oz	12
WL-14	Lith-Ease® White Lithium Grease, Cartridge, 14 oz	10
WL-15	Lith-Ease® White Lithium Grease, Tub, 16 oz	12
WL-16	Lith-Ease® White Lithium Grease, Aerosol, 10.25 oz	12
