Ru-Glyde® Tire Mounting Paste

Ru-Glyde® Tire Mounting Paste is a stable blend of specialty soaps, corrosion inhibitors, preservatives, solvents, and water that is designed for direct application - no mixing required. It will not cause tires to soften or swell. Easy to apply with a brush. Contains a rust inhibitor for rim protection. Designed for alloy wheels, low profile, and run flat tires. Extra slippery to help mount tires with stiff beads. Contains no harsh chemicals that would be corrosive to metal.

- Water soluble
- Contains no petroleum, amines, or phosphates
- Great for use on all-terrain and large commercial vehicles
- Fresh lemon scent!
