

**NEW PRODUCT**  
PRE-BENT FUEL LINE KITS

# PRE-BENT FUEL LINE KITS

- All-In-One Kit for a complete installation
- Lab tested to meet burst pressure and flow rates that meet or exceed OE
- Packaged in heavy duty corrugated cartons to protect lines during shipping

## Clean and Complete Installation

AGS now offers premium pre-bent fuel line kits, available for the most sought-after replacement systems. These new fuel line kits include everything you need to do a clean and complete installation. Each kit is constructed of galvanized steel with plated fittings and hardware for long lasting service and durability. Each line is CNC bent to ensure an exacting fit and engineered to meet or exceed OEM requirements. Some kits include high quality stainless or PTFE flexible hoses; each hose and fitting is corrosion resistant. Each kit has been lab tested to meet burst pressure and flow rates that meet or exceed OE. Packaged in heavy duty corrugated cartons to protect the lines during shipping.

| AGS Part # | Description                                                              | UPC          |
|------------|--------------------------------------------------------------------------|--------------|
| PFL-255A   | Pre-Bent Fuel Line Kit Cobalt, Pursuit, G5, and Ion                      | 077146705618 |
