

# 4oz & 8oz Lubricant **BRUSH TOPS!**

**AGS** <sup>CO.</sup>  
AUTOMOTIVE SOLUTIONS®  
www.agscompany.com • 800-253-0403

AGS now offers the most popular lubricants in 4oz and 8oz brush top cans. Designed for the DIY and professional, you now have the choice to purchase only what you need. Our brush-top cans make sure application is quick, easy and provides full coverage even in hard-to-reach places.

**About AGS Lubricants:** Since 1931, our lubricants have been compounded and packaged in our Michigan facility to ensure you get the best quality and consistency. We painstakingly formulate using only the finest American-made raw materials to meet the needs and requirements of our customers. Get some today and brush on the quality!

This convenient size is perfect for DIY, field technicians, and occasional shop use. No more having too much grease sitting in storage that you may never use.

The large shop size is designed for high usage environments where quality and ease of application is required. Perfect for service provider, fleets, manufacturing, and industrial facilities.
