

Donatello Plus Lift Recliner Chair

The Donatello Plus Recliners sculpt and mould to the contours of your body, providing a range of soft yet supportive positions.

- ✓ Zero gravity feature tilt-in-space function. Helps with postural support, pressure redistribution, neck/trunk control. May improve processes such as breathing, swallowing and digestion.
- ✓ Direct pressure massage – choose from 3 pressure levels. Benefits of massage include reducing stress and pain and improving sleep, immunity, circulation, flexibility, and overall-wellbeing.
- ✓ Heated seat – known to reduce stress, relieve pain, improve circulation, and increase comfort. Choose from 3 individual heat settings.
- ✓ Lift & tilt function – helps with entering and exiting the chair safely.
- ✓ Individual posture supports – 5 powerful individual motors for independent adjustment of the head (airline style support feature), back, lumbar, foot and tilt function.
- ✓ Easily operated and managed via the soft-touch controller (heat & massage panel).
- ✓ Wireless phone charger (right hand side).
- ✓ Drinks cups holder (left hand side).
- ✓ Ultra-durable fabric designed for comfort, longevity and easy-to clean characteristics.
