[ASCP Esty Talk Podcast](#)

Produced by Associated Skin Care Professionals (ASCP), *ASCP Esty Talk*, and *The Rogue Pharmacist* is specifically created for estheticians. Where no topic is off limits, we share all kinds of great information on this podcast from ingredients and the science of the skin to business, and beauty diversity. We hope you come away having learned more about your career, the industry, and maybe even life in general!

Think of our show as a conversation between friends—not too structured, not too formal—sometimes very serious, but always genuine and authentic.

[ASCP Skin Care Summit](#)

Virtual continuing education for skin care professionals. Free to all members and nonmembers. Next summit date, May 29, 2023, more info to come . . .

[ASCP School Forum](#)

2023 ASCP Skin Care School Forum, where you'll learn from and share best practices with fellow skin care school owners and education leaders from across the country—connecting, celebrating, and building memories and networks as we continue to grow this amazing community.

Phoenix, AZ 4/30-5/1/2023
