The Artist talks - Steve Sabella

Gespräch

Datum: Samstag, 12. Oktober 2013 - 19:30

Steve Sabella, born in Jerusalem in 1975, is a Berlin based artist who uses photography and photographic installation as his principle modes of expression. He is the holder of the Ellen Auerbach Award (2008) granted by the Akademie der Künste (Academy of the Arts) in Berlin and was one of the commissioned artists for the inauguration of MATHAF Arab Museum of Modern Art in Doha where he presented a critical installation entitled Settlement - Six Israelis & One Palestinian. His artworks were shown in Les Rencontres d'Arles 2013.

Sabella's project Jerusalem In Exile explored the mental image Palestinians hold of Jerusalem and has gained international attention, leading to its production into a documentary film. Consequently, Sabella has been using photo collage as a visual form for the state of mind that results from living in 'mental exile' and the transcendence of this state towards Independence (2013).
