# WorkEZ Executive

with 3-Jack USB Hub and Dual Cooling Fans

WorkEZ Executive is the widest, tallest, and most versatile WorkEZ stand. As a Lap Desk, the 22" between legs makes computing on a couch/bed super comfortable. 12" leg segments allow users to adjust the height anywhere from 0 to 2ft tall - perfect for an ergonomic laptop holder and for converting any desk into a sit/stand desk. The aluminum panel has a smooth, high quality finish with room to use a separate mouse for laptops < 15".
