WorkEZ Mouse Pad
User Manual

WorkEZ™ Mouse Pad securely attaches to the leg of any WorkEZ™ Stand with an adjustable screw clamp. Once properly installed, the WorkEZ Mouse Pad forms a stable platform for the use of a mouse and doubles as an adjustable shelf that can be used to hold items such as a smartphone or external hard drive.

Guidelines:
- Before use:
  1. TIghten the screw clamp securely.
  2. Test the stability of the mouse pad.
  3. Make sure your WorkEZ stand is setup securely and properly.
- Max load is 1 lb.
- Only use if the WorkEZ Mouse Pad does not wobble.

The 4 Components:

1. Screw
2. Female Clamp
3. Male Clamp
4. Panel

1. Screw
2. Female Clamp
3. Male Clamp
4. Panel

Instructions:
