

## WHAT TO EXPECT IN MY APPOINTMENT

On entering the Anna Bridal Studio, make yourself at home, slip your shoes off and enjoy a chilled welcome drink from our famous Prosecco & Mocktail bar.

Our experienced team of bridal stylists will guide you through the Anna Bridal collection. Together you will hand select your favourite pieces to try on in the luxury of your own private bridal suite.

The last 15 minutes of your appointment will be reserved to place your order and answer any questions you might have.

## ANNA'S HOT TIP

We want to avoid 'The Ivory Fog' of trying on too many dresses! During your appointment, we suggest trying on your absolute favourites! We suggest making an edit of 4-6 gowns, your stylist will edit this collection as the appointment goes on, if required!
