

THE EDIT

WHAT DRESSES DO YOU HAVE?

We carry a collection of over 300 iconic bridal gowns, with designers from across the globe! The majority of our sample dresses range from size 8-16.

We are a dynamic brand and continuously update our collection to bring you the very best in bridal. Dresses are often discontinued to make way for new styles. When you find the one, don't linger with your order - we'd hate for you to miss it!

You can see a preview of our collection online, annabridal.co.uk - not all dresses are featured here, you'll be in for a treat when you arrive!

Make sure to follow us on instagram @annabridal for the latest Anna Bridal updates, newest editions & our incredible real bride photos (it's the ultimate place for bridal inspo).
