SPECIALTY ANTI-GRAFFITI

VandlTop may require a single coat of Micro-Seal silane/siloxane water repellent on porous surfaces. Blok-Lok with Graffiti Control and Micro-Seal with Graffiti Control do not require a primer and are considered a water repellent + graffiti coating in one.

VANDLTOP

- Sacrificial formula
- Protects unpainted or painted surfaces
- Protects until first cleaning or up to 1 year

Available in a 1 gallon & 5 gallon ready to use

BLOK-LOK W/ GRAFFITI CONTROL

- Non-sacrificial coating for vertical unpainted surfaces
- Hybrid water repellent and anti-graffiti coating
- Approx. 10+ graffiti removals

Available in a 1 gallon & 5 gallon ready to use

MICRO-SEAL W/ GRAFFITI CONTROL

- Non-sacrificial coating for vertical and horizontal surfaces
- Hybrid water repellent and anti-graffiti coating
- Approx. 15+ graffiti removals

Available in a 1 gallon & 5 gallon ready to use

ANTI-GRAFFITI COATINGS

When applying anti-graffiti coatings to porous unpainted or unsealed surfaces use one coat of Micro-Seal silane/siloxane water repellent to prime the surface first. This way the anti-graffiti coating doesn't soak into the surface, and provides a protective layer on top as intended.

VANDLGuard ORIGINAL

- Non-sacrificial coating for horizontal & vertical surfaces
- UV stable - will not yellow, crack, or peel over time
- Approx. 2-3 graffiti removals per coat

Available in a 32 oz concentrate, plus 1 gallon & 5 gallon ready to use

VANDLSystem

- Available as a one, five, or ten year system
- Non-sacrificial formula available in a variety of warranties
- Approx. 2-15 graffiti removals depending on system used

Available in 1 gallon & 5 gallon ready to use, VandlGuardFive & VandlGuardTen must use Finish Coat

VANDLGuard URETHANE

- Available in a single or quick dry two-part non-sacrificial formula
- UV resistant helps keep colors from fading
- Approx. 25-30 graffiti removals per coat

Available in a 1 gallon & 5 gallon ready to use (& kit)

ANTI-GRAFFITI COATINGS

Some anti-graffiti coatings come in various finishes. Most are clear topcoats, however some come in a tintable base that can be tinted to a custom color at any local paint store. Ask your RainGuardPro representative for more information.

VANDL GUARD ISOFREE®

- Non-sacrificial odorless, VOC-free, & isocyanate-free coating
- UV resistant helps keep colors from fading
- Approx. 160+ graffiti cleanings, can be cleaned with acetone, lacquer thinner, & VandlClean Super

Available in a 32 oz, 1 gallon, & 4 gallon kit

MURALGUARD

- Non-sacrificial - only one coat needed for superior protection
- UV resistant helps keep colors from fading
- Approx. 160+ graffiti cleanings, can be cleaned with acetone, lacquer thinner, & VandlClean Super

Available in a 16 oz, 32 oz, 1 gallon, & 4 gallon kit

VANDL CLEAN SUPER

- Pleasant citrus scent
- Eco-friendly formula won't damage VandlGuard coating
- Removes spray paint, permanent marker, & some types of glue

Available in a 32 oz & 1 gallon ready to use
