

# PROJECTOR M1 mini

## Key Features

- Smart stand that allows for ceiling projection
- Swappable top plates to suit your mood
- Embedded JBL speaker for sensational audio
- Built-in battery for fun on the go
- Instant power on to enjoy your favorite shows right away

## Product Description

The ViewSonic M1 mini is a pocket-sized projector that delivers convenient audiovisual entertainment anywhere. With the light weight, ultra-mini size and swappable coloured top, it serves as a personal pocket cinema for your everyday life. The built-in battery, JBL speakers, and the ability to be charged by a power bank, allows for easy outdoor or on the go use. The adjustable stand offers flexible projection angles that can satisfy any viewing needs - even ceiling projection. The ViewSonic M1 mini pocket cinema is the ideal option to enjoy audiovisual entertainment for your everyday life.
