High-Performance Home Theatre Soundbar System with Chromecast Built-in

The Polk MagniFi 2 high-performance home theatre soundbar provides a dynamic and immersive entertainment experience. Compatible with HD and 4K TVs, control the MagniFi 2 with Google Assistant via Chromecast built-in.

Features

Rich, Immersive Home Theatre Sound

A six-driver array and included wireless subwoofer combines to create immersive, multi-dimensional virtual surround sound. Compatible with 5.1 Dolby Digital, DTS and exclusive Polk SDA surround technology for an incredible room-filling listening experience.

Polk Patented SDA Surround Technology

Patented Polk Stereo Dimensional Array (SDA) surround technology creates an expansive soundstage and detailed stereo image. The natural multi-dimensional sound experience is unique to Polk MagniFi soundbars.

Polk Patented Voice Adjust Technology

Hear every word. Customize the voice levels in the soundbar to reproduce clear, crisp dialogue and never miss a single word of your favourite movie, TV show or sporting event.

Polk 3D Audio Mode

Polk 3D audio mode can create virtual height channels from any soundtrack. When combined with Polk SDA technology, it delivers a truly immersive 3D surround sound experience.

Google Chromecast Built-in

Use Google Chromecast for audio to stream music from your favourite apps including Google Play Music, YouTube Music, Amazon Music HD, Spotify, Tidal, TuneIn Internet Radio and more over Wi-Fi.

Works with Google Assistant

Use your voice and Google Assistant to control your music — play, pause and adjust volume. Use the Google Home app to group it with other Chromecast-enabled speakers to play music throughout your home. Google Home speaker sold separately.

Bluetooth Music Streaming

Connect and play music directly from your smartphone, tablet or other compatible device.

Universal 4K Compatibility

Works with 4K and HD TVs — plus, three HDMI 2.0 inputs ensure 4k HDR and Dolby Vision content looks great.
