L'armonia circolare delle linee del piano e del basamento, si intrecciano a formare la struttura semi sferica scultorea, di un tavolo da pranzo dalla forte presenza scenica, protagonista assoluto del soggiorno. The round harmony of the top and the base lines interlace forming the sculptural hemispheric structure of a dining table with a strong dramatic presence, the absolute protagonist of the living room.

Ampie ante rifinite da superfici in pelle pregiata che si aprono a libro per svelare al loro interno piani e contenitori a servizio dell'angolo bar, arricchite da una grande maniglia centrale circolare in madreperla naturale, rifinite ai lati da essenze lignee lucidate a specchio e gambe in metallo bronzato.

Wide doors decorated with fine leather surfaces that fold open revealing shelves and containers for the bar area, embellished by a large central round handle with natural mother of pearl and decorated with high gloss polished wooden sides and metal legs in a bronze finish.

La linea curva del fronte si armonizza ad un lato opposto perfettamente lineare, dove trovano collocazione cinque cassetti diversamente dimensionati che insieme alle gambe slanciate in metallo bronzo ed al piano in pelle realizzano una scrivania in perfetto equilibrio con la tradizione dello scrittoio.

The curved line of the front harmonizes perfectly with the linear opposite side, with five drawers of different sizes that together with the slender bronzed metal legs and the leather top make up a writing desk in perfect balance with tradition.
