## CHARISMA collection

Synonymous with charm and magnetism, Charisma is the exclusive detail that characterises the new lifestyle by Giorgio Collection: a multi-sensory journey among beauty and luxury, which encapsulates craftsmanship and elegance, in perfect Italian style.

The captivating design of furnishings and objects, together with the meticulous research of materials and their chromatic combination, define a welcoming atmosphere where the taste encompasses both contemporary and deco hints.

With over 60 new items conceived to decorate the whole home interior - from bedroom to dining room, from living room to executive office and bar corner - Charisma collection shines a light on the scenic Black Bubinga burl, a rare African wood whose colour lends a unique sense of depth to the furniture. Premium quality nubuk and silk-blend velvet are paired with galvanized gold metal and Grey Alps marble, an exclusive touch that enhances all the tops of furniture, vanity desks and handles. New accessories include carpets, chandeliers, floor and table lamps, vases and mirrors, embodying the absolute concept of luxury elegance.

A total look with strong personality and sartorial inspirations, designed to fulfil the desires of a cosmopolitan clientele all over the world.
