Buy Winstrol UK - Pharmabol UK

Description. Buy Winstrol UK. Winstrol is the most widely recognized trade name for the drug stanozolol. Stanozolol is a derivative of dihydro-testosterone, chemically altered so that the hormone's anabolic (tissue-building) properties are greatly amplified and its androgenic activity minimized.

Instructions To be used: The particularly recommended dosage associated with Stanozolol is actually 50-100 mg/day by mouth for males as well as 25-50 mg/day injectable kind for men. For girls, dosages throughout the mouth, as well as injectable types of Stanozolol, are usually 2.5 to 12 mg daily and 2-5 mg per day, correspondingly. [additional info](#)
