

FPS-DP SERIES

TELESCOPING AND FIXED LENGTH CEILING MOUNT HARDWARE

For cameras, monitors, wireless access points and smoke alarms. The DP series telescoping poles feature 2 sections at either 1500mm or 3000mm lengths that adjust between 1500-2900mm and 3000-5900mm respectively. The central joiner on the poles uses cap head screws from both sides for a sleek appearance.

ALUMINIUM CONSTRUCTION

Our second generation aluminum droppers are far easier to cut and drill. Another bonus, being two thirds lighter than steel tubes makes carrying and installation a breeze.

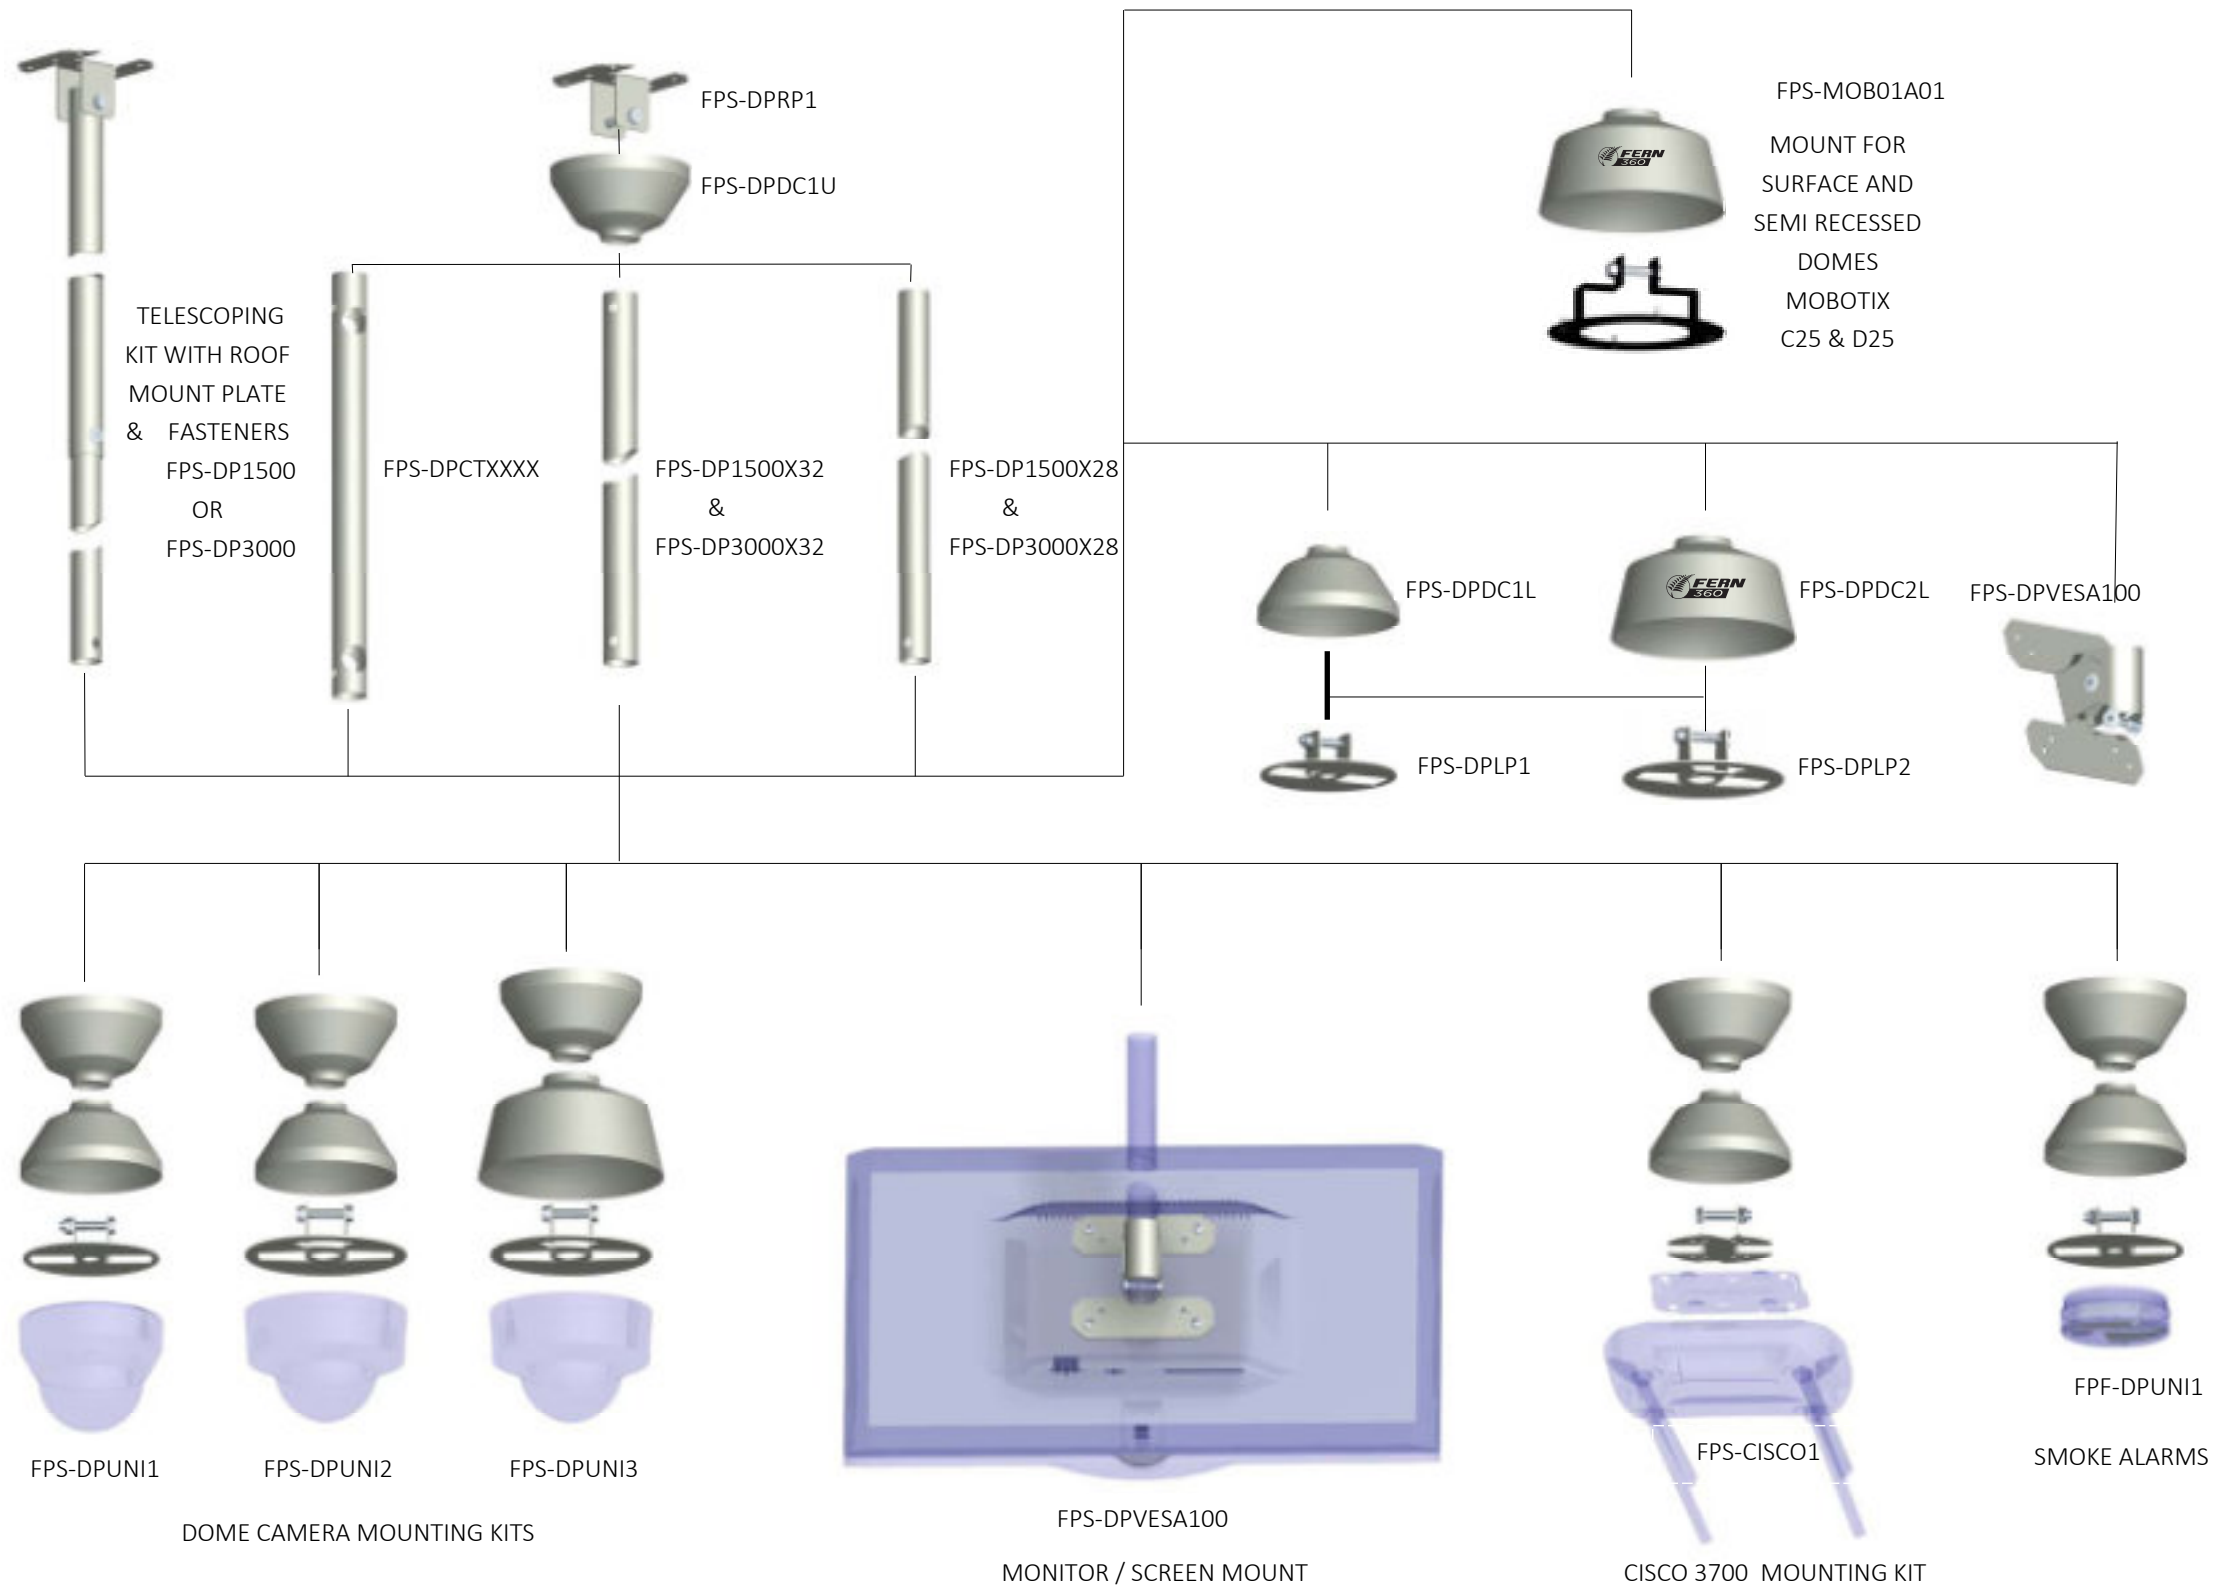

SUITS MOST CAMERAS & VESA SCREENS

Our standard range of mounting kits provide mounting options for a wide range of cameras from 110 to 160mm diameter +

Also LCD Screens with 75 and 100mm VESA mounting patterns up to 14KG in weight.

Our second generation aluminum droppers are far easier to cut and drill. Another bonus, being two thirds lighter than steel tubes makes carrying and installation a breeze.

FPS-DP1500	1500-2900mm adjustable telescopic dropper pole kit including: inner and outer poles ceiling mount bracket and connecting bolts.
FPS-DP3000	3000-5900mm adjustable telescopic dropper pole kit including: inner and outer poles ceiling mount bracket and connecting bolts.
FPS-DP1500X32	1500mm long x 32mm diameter outer pole (Pole only)
FPS-DP1500X28	1500mm long x 28mm diameter inner pole (Pole only)
FPS-DP3000X32	3000mm long x 32mm diameter outer pole (Pole only)
FPS-DP3000X28	3000mm long x 28mm diameter inner pole (Pole only)
FPS-DPCTXXXX	DP cable through fixed length pole (with 30mm diameter cable entry and exit at top and bottom) <i>Advise length required between ceiling and mount height for devices when ordering.</i>
FPS-DPUNI1	Mounting kit for cameras and smoke detectors up to 130mm Dia. Kit includes 1 X TDLP1 mount plate, 1 X TDDC1L, 1 X TDDC1U decorative covers plus bolt and nut sets.
FPS-DPUNI2	Mounting kit for cameras and smoke detectors up to 167mm Dia. Kit includes 1 X TDLP2 mount plate, 1 X TDDC1L, 1 X TDDC1U decorative covers plus bolt and nut sets.
FPS-DPUNI3	Mounting kit for cameras and smoke detectors up to 167mm Dia. Kit includes 1 X TDLP2 mount plate, 1 X TDDC2L, 1 X TDDC1U decorative covers plus bolt and nut sets.
FPS-DPVESA100	Pan and tilt Vesa mount bracket suit screens with 75 and 100mm mounting pattern. Suit up to 32 inch screens.
FPS-DPCISCO1	Mount kit for Cisco 3700 series wireless access point.
FPS-DPLP1	Type 1 mounting plate (can be fitted to 28 and 32mm tube)
FPS-DPLP2	Type 2 mounting plate (can be fitted to 28 and 32mm tube)
FPS-DPLP3	Type 3 mounting plate (can be fitted to 28 and 32mm tube)
FPS-DPRP1	Ceiling mount plate, suit 32 & 28mm diameter poles.
FPS-DPDC1L	Type 1 decorative cover suit lower mounting plates, no screws
FPS-DPDC1U	Type 1 decorative cover suit upper mounting plates, with screws
FPS-DPDC2L	Type 2 large decorative cover suit lower mount plates.
FPS-DP45BOLT	M8 x 45mm bolt and nyloc nut
FPS-DPCAPSC	M6 Cap screw kit suit connection between inner and outer pole.
FPS-DPCOUP	28mm diameter coupling tube and cap nuts suit joining 32mm diameter poles.
