

vintage baked modern
SPECIALTY BAKING CO.

Vintage Baked Modern has been making specialty food products since 2013. We provide simple and delicious gluten-free baking solutions for foodservice, consumer retail, and at-home bakers.

Our all-natural products are produced in Northwest Indiana in a commercial gluten-free facility.

Our products are sold in universities, restaurants, specialty & health food stores, and cafes.

Gluten-Free Bulk Baking Mixes & Flour

Our gluten-free baking mixes and flour are chef-endorsed, and used in kitchens at all levels of the foodservice industry. Each mix starts with our proprietary, gluten-free flour that yields consistently light and tender bakes. Handcrafted with all-natural ingredients, they contain no preservatives, wheat, dairy, nuts, soy, or other allergens – making them ideal for “clean-plate” menus and allergen-free serving stations. We provide simple recipes, scaling charts, and guidance for your kitchen staff.

- Baking Mixes: Cookie, Muffin, Cupcake, or Brownie
- Gluten-Free Flour

Sold in 10# bags or case of (3) 10# bags.

Shelf Life: up to 1 year.

All-natural, no preservatives or allergens. Made in a gluten-free commercial kitchen that contains other allergens.

Retail-Packaged Harvest Superfood Balls

Our signature Harvest Superfood Balls created and sold since 2013, are an all-natural, fresh-food snack made with superfood ingredients that provide a well-rounded balance of carbs, protein, and fiber. Each serving is packed with 5 grams of nutrient-dense plant-based hemp protein and superfoods like chia, flax, and unsweetened coconut. Packaged for refrigerated grab-and-go coolers, making them perfect convenience snack for breakfast, workout fuel, or to satisfy a sweet craving anytime of day!

Package contains (4) servings. Sold by the case (12 units).

Shelf Life: 6 weeks in cooler. Refrigerate upon arrival. All-natural, no preservatives.

Made in a gluten-free commercial kitchen that contains other allergens.
