

Peppermint

Botanical Name: *Mentha Piperita*

We've worked closely with our Egyptian producers and suppliers. Peppermint usually has a harvesting window between May and July. Famous for supporting digestion, peppermint leaf makes a wonderful digestif with its relaxing tingly menthol aftertaste.

TASTING NOTES: Cooling, fresh and aromatic.

We recommend that you consult with a qualified healthcare practitioner before using herbal products, particularly if you are pregnant, nursing, or on any medications. This information has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease. For educational purposes only.

This ingredient is sourced from Egypt.

Now that you know more about Peppermint, you should check out our blends with Peppermint.
