

Join the mighty KEW COMETS for AFL in 2023

The Kew Junior Football Club (Comets) provides opportunities to play football from U8s to Colts/Youth Girls division.

It is the Comets policy that all registered players will be allocated to a team in their correct age group as per the YJFL Age Groups and for the following reasons:

- to protect the health and safety of players
- to enable players to best develop according to their age and physical capacity
- it provides clarity and certainty for players and parents
- it is consistent with the policy of the YJFL.

Please Note: For players born 01/01/2016 to 30/04/2016 who play up in U8s in their first year, the AFL & YJFL state that they must then continue to play in U8s again the following year to align those players with the correct age group year going forward.
