

# THE BETTER LETTERS IN 15 CHALLENGE

## WEEK 3 | DAY 1 | LETTERS

### TRUST YOUR CREATIVITY

These are the letters we will be practicing today: c, e, a  
Here are examples, variations, and guidelines for each letter:

Since we have already practiced the letter r several times, I am not including it in this week's letter practice.

The letters c and e are the same whether you are bouncing it or not so there is only one variation.

Each of the letters above have a transition curve in stroke #1 going from a thin upstroke into a thick downstroke--go slowly at the transition and try to gently guide your brush pen up and over that curve to prevent any skips/gaps in this area.

*c c c c c c c c c c c c c*

*e e e e e e e e e e e e e e e*

*a a a a a a a a a a a a a a a*
