

THE BETTER LETTERS IN 15 CHALLENGE

WEEK 2 | DAY 2 | LETTERS

CELEBRATE **YOUR** JOURNEY

These are the letters we will be practicing today: u, r
Here are examples and guidelines for each letter:

Although the loop goes in a downward direction, I choose to keep the line thin bc it looks more legible--feel free to make it a true down-stroke if you'd like.

We practiced the letter "r" last week so if this is feeling monotonous for you, try playing around with it: make the loop even bigger or smaller, adjust the angle of the last stroke, look up different calligraphy r's online and try them out.

On the next page, trace the grey letter then practice the letter on your own in the blank lines below. If you run out of space, there is an extra blank sheet with guidelines for you to print out and use.
