

# THE BETTER LETTERS IN 15 CHALLENGE

## WEEK 2 | DAY 3 | CONNECTIONS

### CELEBRATE **YOUR** JOURNEY

Today we will be practicing connecting the letters in your.

We will start with the following connection: y-o

Think of connections as each individual word being put beside another--a word is made up of many strokes and stops, it is **not** one continuous, long, stroke:

When you put the letters together, make sure the exit stroke of each letter (the blue lines) are long enough to reach the next letter and that all the exit strokes are about the same length to keep the spacing even:

On the next page, trace the grey letters then practice the connection on your own in the space provided. If you run out of space, there is an extra blank sheet with guidelines for you to print out and use.
