

THE BETTER LETTERS IN 15 CHALLENGE

WEEK 3 | DAY 3 | CONNECTIONS

CELEBRATE YOUR JOURNEY

Today we will be practicing connecting the letters in journey.
We will start with the following connection: j-o-u-r

If you liked the second "j" variation, here is one way of using it. You can play around with the loop and tail and try different ways of connecting it to the "o". You can also leave it disconnected / play around with that placement.
