

# THE BETTER LETTERS IN 15 CHALLENGE

## WEEK 3 | DAY 4 | CONNECTIONS

### CELEBRATE YOUR JOURNEY

Today we will be practicing connecting the letters in journey.  
Today's connection is: n-e-y

Don't forget to think of each connection as each individual letter being put beside another--a word is made up of many strokes and stops, it is **not** one continuous, long, stroke:

When you put the letters together, make sure the exit stroke of each letter (the blue lines) are long enough to reach the next letter and that all the exit strokes are about the same length to keep the spacing even.
