

# THE #BETTERLETTERSIN15 CHALLENGE

WEEK 1 | DAY 5 | WORDS

---

## PRACTICE MAKES PROGRESS

---

Today we will be writing the entire word: practice  
Here are 2 examples (one without bounce and one with bounce)  
based on the letter variations previously provided:

WITHOUT BOUNCE

WITH BOUNCE

*practice*

When creating words, I like to think about it as each individual letter being put next to another. Make sure the exit stroke (blue lines) on each letter is long enough for the next letter to be connected to it.

On the next page, trace the grey letters then practice the connection on your own in the space provided. You don't have to do both--pick one variation to focus on. If you run out of space, there is an extra blank sheet with guidelines for you to print out and use.

CONGRATS ON FINISHING WEEK 1!
