

THE #BETTERLETTERSIN15 CHALLENGE

WEEK 2 | DAY 4 | CONNECTIONS

PRACTICE **MAKES** PROGRESS

Today we will be practicing connection these letters together: t-i-c-e
Here are 2 examples (one without bounce and one with bounce) based on the letter variations previously provided:

WITHOUT BOUNCE

WITH BOUNCE

When creating words, I like to think about it as each individual letter being put next to another. Make sure the exit stroke (blue lines) on each letter is long enough for the next letter to be connected to it.

On the next pages, practice the connection. There are 3 worksheets to pick from: one filled with examples to trace, one with just one example to trace, and a blank sheet if you need it. You don't have to do both variations, you can pick one to focus on if you'd like.
