

# THE #BETTERLETTERSIN15 CHALLENGE

## WEEK 4 | DAY 1 | WORDS

---

PRACTICE MAKES PROGRESS

---

Congrats!

You made it to week 4!

This is how the final week will break down:

- Day 1: Word practice of the entire phrase
- Day 2: Creating and choosing a layout for the phrase
- Day 3: Drafting our final piece
- Day 4: Continuation of drafting / lettering the final piece
- Day 5: Lettering and finishing the final piece

Let's kick things off by practicing every word in the phrase.

**On the next pages there are 3 worksheets to pick from: one filled with words to trace, one with just one letter to trace, and a blank sheet if you need it. There is a version without bounce and one with bounce.**

**Feel free to focus only on one style, or try both.**
