

Easy Peasy

Print out this page at 100% on 8.5"x11" paper.

To check if your printed page is scaled correctly, position a credit card under the line below. You have successfully printed if the credit card and the length of the line match.

Cut out the ruler.

Wrap the ruler around your wrist, the way you would wear a bracelet.

Pick the size closest to your preferred fit.

Don't have a printer? No problem.

Grab a piece of paper, mark up your own ruler, and use the measurements above.
