### **EGO POWER+ Blower – Fact Sheet**

The EGO POWER+ Blower is the most powerful rechargeable blower on the market, and the first to perform better than many petrol-powered models. Features include:

- Industry's Most Powerful Battery – The first-ever 56-volt lithium-ion battery has 40 percent more power than the 36-volt battery. It is removable and interchangeable with all EGO tools.
- The EGO Power+ Blower delivers impressive cubic meter of air per hour (M<sup>3</sup>/H) rating to match or surpass that of many petrol blowers. Its performance attributes include:
  - 3-Speed Design (run times based on 56-volt Battery 2.0Ah)
    - Speed 1 --- High Efficiency: Blows at 420 M<sup>3</sup>/H up to 1 hours
    - Speed 2 --- High Power: Blows at 650 M<sup>3</sup>/H up to 18 minutes
    - Speed 3 --- Turbo Boost: Blows at 810 M<sup>3</sup>/H up to 10 minutes
  - Turbine Fan Engineering
    - Inspired by advanced aeronautics technology to efficiently deliver industry-leading power
  - High-efficiency Brushless Motor
    - Lightweight compact design delivers longer run time, low vibrations and an extended motor life
- Industry Best 5-year Warranty for Tool and 3-year Warranty for Battery.

The EGO POWER+ Blower is available at Masters Home Improvements and Trade Tools for the RRP of \$299. Kit includes the 56-volt Battery 2.0Ah and Standard Charger (charges 2.0Ah battery in 40 mins).
