EGO POWER+ Line Trimmer – Fact Sheet

A POWER REVOLUTION IN LINE TRIMMING

The EGO POWER+ Line Trimmer sets a new standard in the line trimmer category, performing equal to or better than petrol-powered models. Features include:

- Industry's Most Powerful Battery – The first-ever 56-volt lithium-ion battery
- 40 percent more power than 36-volt battery. It is removable and interchangeable with all EGO tools.
- Up to 45-minute Run Time with 56-volt Battery 2.0Ah included
- 300mm Cutting Width
- Dual Feed Line with a 2.0mm diameter
- Quick and easy cutting line replacement. Hook, wrap and go.
- Bump and Feed Line Operation
- Oversized Aluminum Straight Shaft – Better suited to covering large areas quickly, and improved reach when trimming under objects
- Soft Start with Constant Speed Control – For a slow ramp up to full speed and consistent edging and trimming action at 6,000 rotations per minute (RPM)
- Primary In-Line Grip, with Integrated Trigger – For maximum comfort, convenience and handling
- Auxiliary Assist Handle – Adjusts up and down the shaft for comfortable positioning
- Ergonomic Motor Position – Bottom of shaft for better balance and control
- Integrated Edge Guide – To protect flower beds and fences
- Industry Best 5-year Warranty for Tool and 3-year Warranty for Battery.

The EGO POWER+ Line Trimmer is available at Masters Home Improvements and Trade Tools with a RRP of \$299. Kit includes the 56-volt 2.0 Ah Battery and Standard Charger (charges 2.0Ah battery in 40 mins). Additional product information is available at www.EGOPOWERPLUS.com.au
