

ARTISTS' WATERCOLOR 24 PAN SET

Color Swatches

Take your watercoloring to the next level with this gorgeous watercolor set! This set of 24 individually wrapped half pans coordinates perfectly with our popular Altenev color families to help you create vibrant colorful projects. Blending colors is so easy with this set, as the artist-grade colors are intensely pigmented with little to no granulation.

You will love combining the colors together for lots of beautiful effects. The half pans are stored in a convenient metal case, designed with space for your brush and a palette in the lid for mixing. Everything is designed specially to give you a relaxing and enjoyable watercoloring experience!
