

Production Bulletin;

Yerington NV - Tap Associates, Inc. "makers of the self-locking Tap Extension" issues production bulletin; two and half inch 2-1/2 and three inch 3" lengths in our ANSI series 101 size chart shown below are slated to be discontinued from production.

Currently we have stock and our online catalog TapExtension.com will indicate an alert at quantity <10 ten as stock levels are depleted and removed from the lineup once inventory is at zero.

Please [contact us](#) directly with any questions or to acquire inventory level updates. You can also view our size chart PWAApp here sizecharts.TapExtension.com (pin our icon to your device) to find alternate length options.
