Dimmability: Bulb dependent

Cord Type

10-foot black cloth cord with inline on/off switch and two prong plug.

Materials

Each stone objects is unique. Expect variations of colour and veining.

To clean stone items remove any dust with a soft dry cloth. A cloth dampened with warm water will usually remove superficial marks; if more effort is necessary, add a modest amount of pHneutral detergent. Finish by wiping each piece thoroughly with a clean, dry cloth to absorb any residual moisture.
