FOLD TABLE LAMP

Substantial, architectural table lamp with soft, rounded ovular base and large bent circular shade.

Made of solid cast polished bronze, blackened bronze, or aluminum

Measurements

9" tall
13.75" wide
3.5" by 5.5" base

Bulb Type *Bulb not supplied

3.3W LED, E26 base, G16 shape
Suggested Lumen Rating: 250lm
Voltage: 110-120V / 60Hz AC
Dimmability: Bulb dependent

Cord Type

10-foot black cloth cord with inline on/off switch and two prong plug.

Materials

The raw metals used will oxidize with age and environment, both of which contribute to the evolution of a natural patina. If the original bright finish of your pieces is preferred, a polishing solution applied with a soft clean cloth will restore luster. Braso or Silvo is recommended depending on the metal in question.

Slight variations will occur from one individual piece to another and may include slight ripples or surface pitting.

Aluminium

Bronze

Blackened
