# Our goal is to become the largest retail moulding and door supplier in the east coast.

## How do we plan on doing that?

Easy to navigate pricing. Styles and pricing is all displayed.

Come see us at the NY Build Show and The International Builders Show in Vegas.

We buy direct doors from manufacturers, cutting out middleman and passing savings along to you.

Helpful, friendly counter staff.

Our new warehouse allows us to bring in bulk and store it for you. Than deliver to you when needed, securing no-issues relying on 3rd party logistics.

*From selling homeowners 1 piece of moulding to finish a job. Too selling huge multi family complexes.*

**OUT OF WAREHOUSE**  
*No lead time*

**BARGAIN

**DIRECT BUY**  
*120 day lead time,  
2 skids or  
more at a time*

**Direct Buy.**

*While we order our stock materials. We can add on orders of any profiles coming direct from manufacturers, to your door the savings are enormous. Let us quote your project today.*

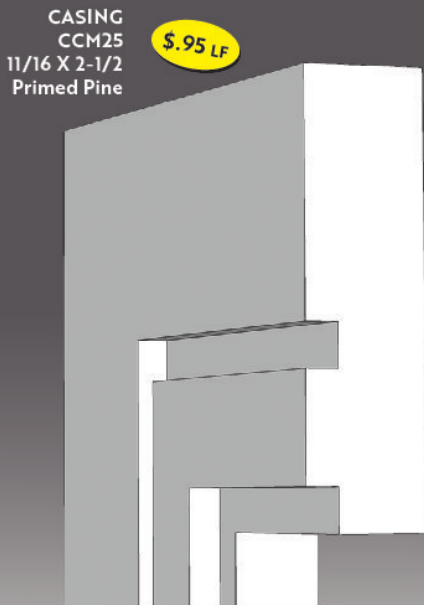

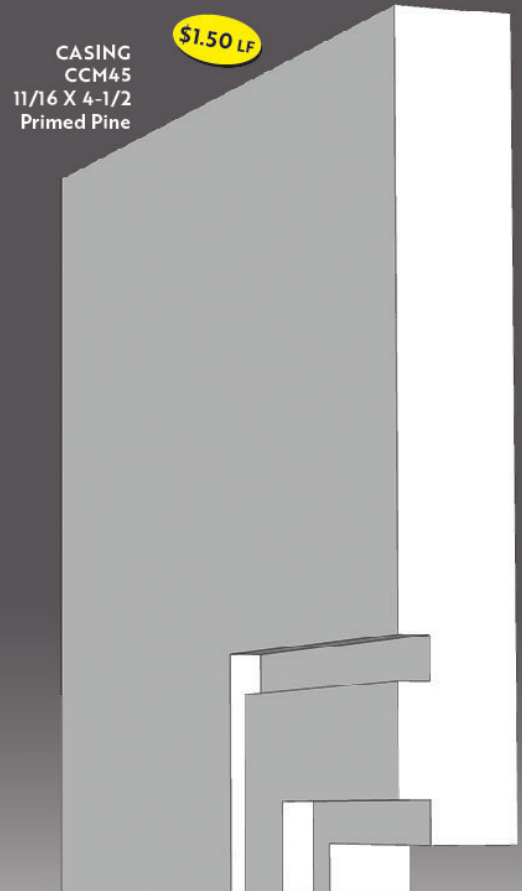

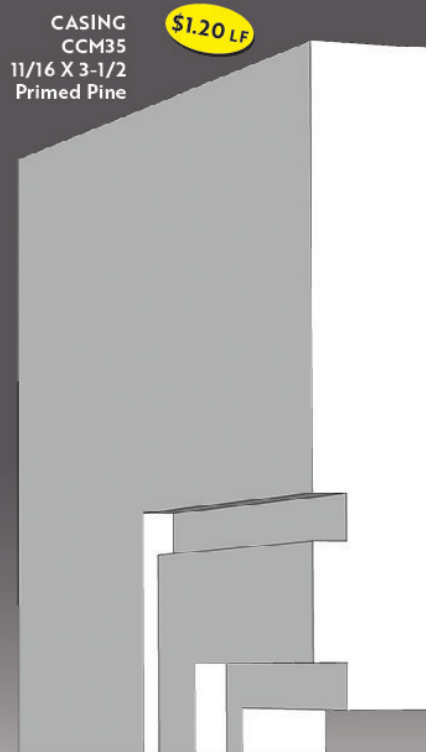

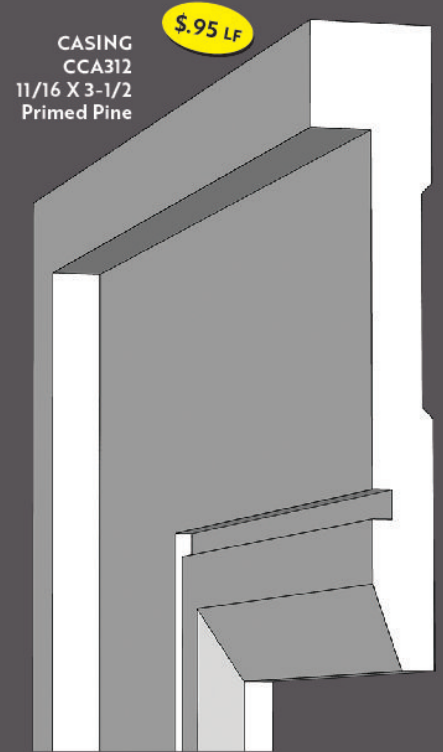

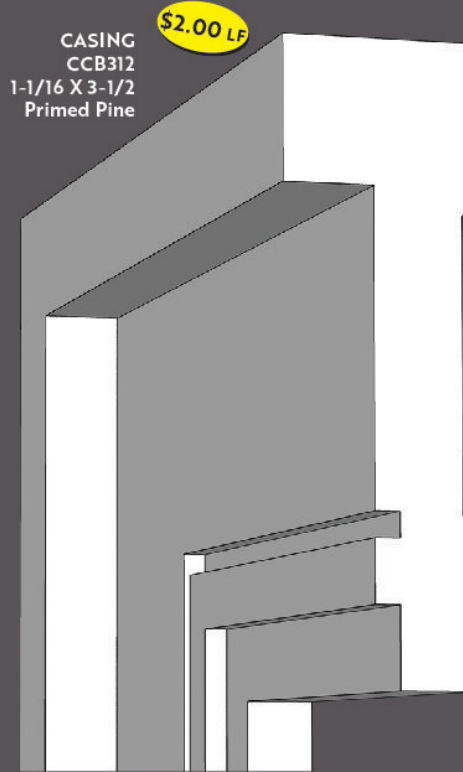

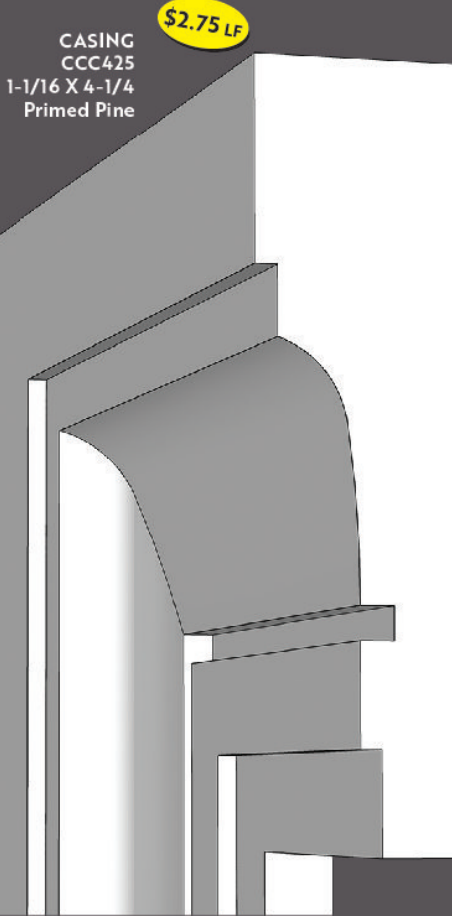

*Our goal is to be the easiest way for you to save on your next large or small project*
