

HOOVES MEDIC

Hooves moisturizer cream

NN.Q2M5

800 g / 1,77 lb

FOR VETERINARY USE ONLY

NOT FOR USE IN HORSES INTENDED FOR FOOD

Moisturizer for very dry hooves.

- Preserves the suppleness, the quality, the shine and the elasticity of the hoof and the hoof capsule.
- Preserves the hydration of the hoof, hoof capsule, sole, bulb of the heel and wall.
- Helps to maintain a healthy hoof capsule, crown and hoof.
- Helps to keep the crown healthy when using bell boots that can cause friction.
- Helps to maintain a healthy frog.

DIRECTION FOR USE

Apply evenly in a thin layer on the affected area, up to 3 or 4 times a week.

WARNING/PRECAUTIONS

Do not use in young animals, gestating or lactating females. Do not use on wounds. For long-term use, consult a veterinarian. If excessive irritation should appear, stop use of the product and consult a veterinarian. Avoid contact with eyes and mucous membranes. Keep out of reach of children.
