# CUSTOM CAPABILITIES

Framburg is one of the most integrated lighting manufacturers in the world. The capabilities that we have refined for over a century in design, metalworking, and finishing allow us to offer modifications to many of the products you see in this catalog. These modifications may include different sizes, finishes, frame configurations and lamping options.

These capabilities also enable us to create completely unique products that are specifically tailored to the customers' distinct aesthetic, scaling, and engineering needs.

Framburg products can be found in some of the finest institutions and residences because of our uncommon engineering and crafting abilities.

# THUMPRINTS

Thumprints is a specialty lighting company that offers innovative, creative and stylish lighting. With high-design, detail and artistic style at the forefront of Thumprints' philosophy, our products are pieces of functional art that are "as distinctive as your **thumprint**". Thumprints offers a range of contemporary, transitional and casual table lamps, floor lamps, hanging lights and wall sconces. Subtle finishing touches, precise scaling, beautiful shades and the creative use of materials including art glass, ceramic, wood, metal and stone have established Thumprints as a premier portable lighting brand. As a proud honoree of the 2014 and 2015 ARTS Awards for our achievements in residential, hospitality and custom design work, we look forward to working with you and furnishing original designs that will provide years of enjoyment.
