COMPANY PROFILE

Almac Sports India Pvt Ltd - your one stop solution to all things fitness. We established in 2010 in India with our head office in Mumbai, after a rich ongoing experience in Bangkok, Thailand.

THE GROUP

The Almac Group, a Thailand based company is the destination for International Fitness Brands of high quality and wide product ranges for Commercial and Light Commercial use purposes.

Almac as a company does not only believe in its products, but we also back it up with our experience in this industry since 1990. We take into account your needs and requirements and with that we cultivate the right number of equipment for you and make sure that you not only have the right products, but also a seamless experience with us. We pride ourselves in the flexibility of being able to provide any kind of gym setup- from premium to economical, big or small, we are able to fulfil your requirement.

“ We believe in the unique combination of uncompromising quality and new age design and features. ”

OUR MISSION

To redefine the perspective of fitness by providing innovative products and services that promotes good health mentally and physically.

OUR VISION

To be one of the leaders in the industry by providing personalized services to our customers to maximize their workout experience with our long-lasting products.

OUR VALUES

Empowerment
Dedication
Service
Quality
Simplicity
Commitment
Tenacity
Versatility

“We believe in building a strong relationship with our partners, vendors, and clients alike, which in turn takes the business to the zenith of success”

| WHY ALMAC?

Trained & Qualified

Our team is trained specifically to cater to fitness solutions and without the specific qualifications, we would not entrust them to satisfy your every need.

In-House Designing

Just send us your layout and we will do the rest. Through the latest technologies we help design your gym making sure that everything you require fits just right and making your gym look the best that there can be. Our in-house designing team make sure that everything you require from space to machines is all set up in the most convenient way.

Consultation & Set-up

From consultation to the entire set-up, we assist you from start to finish giving you the best of the best for your requirement without any third-parties involved making it easy for you to have a one-point contact.

Assistance 24 x 7

Through Almac I-care, you can get in touch with our customer service and they will be sure to assist to your problems immediately. As a team, we solve your problem at the earliest.

Satisfied Employees = Satisfied Customer

Everybody can make a difference; if any employee focuses on the company's philosophy, it can be induced into a corporate culture. The heart of our business sense is a simple idea of Satisfied Employees = Satisfied Customers .

Our Team

With an internal credo of Fitness Lifestyle, the Almac India family is dynamic, talented and hard-working and together, it is executing a sound business strategy to position the company for a long term growth.

RUNOW

RUNOW SERIES

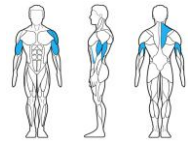

Premium strength equipment designed in the USA, that combines striking visual appeal with inviting design elements to create the perfect interaction between exerciser and machine. It is the new standard in selectorized strength equipment. It has a stylish shroud cover to give a premium look, and a strong biomechanism and the eccentric forms the natural force curve of the body over the entire movement. The adjustable round cushion positions for different body sizes. ”
