

Bowen FRAME

Simple and stylish, this frame's clean lines offer professional framing on a budget. This understated wood frame is perfect for photographs and works of art on paper, for display in a gallery or at home.

Features:

1. High quality wood moulding in a Matte Black or Matte White painted finish
2. Quick installation and replacement of artwork with a back-loading design with EZ clips
3. Thin ($\frac{3}{4}$ " profile) to suit a variety of artworks
4. Acid-free barrier paper to protect artwork
5. Includes wood frame, plexi or regular glass, acid-free barrier paper, corrugated cardboard backing, EZ clips, plus hanging hardware including D-rings (2), Philips Screws (4), plastic-coated wire (1), bumpers (4), hook (1), nail (1)

Assembly Instructions:

1. With a flat head screwdriver, remove EZ clips from the frame back. Remove corrugated cardboard backing and acid-free barrier paper. If using plexi, remove protective film from both sides.
2. Mount or mat your artwork.

DIRECT MOUNT

EDGE-TO-EDGE

3. Reassemble the frame with glass or plexi in place first, followed by your matted artwork, acid-free barrier paper, and finally the corrugated cardboard backing. Push the hooked end of the EZ clips firmly into the groove on the back edge of the frame to secure all components in place. Attach the hanging hardware and plastic-coated wire. Hang and enjoy!
