

LED BULBS PAR30COB13WD

HIGHLIGHTS

13W Long Neck Dimmable LED Bulb

This 13W LED bulb emits 800 lumens of vibrant illumination, available in both warm white for a soothing ambiance and cool white for a crisp, energizing environment. Its long-neck design is ideal for recessed lighting and specialty fixtures, ensuring focused and effective light distribution. With dimmable functionality, it offers customizable brightness to suit any mood or setting. Energy-efficient and durable, eco-friendly lighting solution for residential and commercial spaces.
