OUR PRODUCTS ARE
THE RESULT OF THE
PASSION AND VISION
OF OUR FOUNDER
IDILI LIZCANO

A unique **CONCEPT** was created from the union of the **ART** of perfumery, the **KNOWLEDGE** of ancient formulas and the **POWER** of aromatherapy.

A philosopher, perfumer and
master of meditation.

His commitment to the environment, social ethics and the idea of creating products that improve physical and emotional wellbeing still drives us today.

VALUES

LOVE FOR **NATURE**

PASSION FOR **HOLISTIC WELLBEING**

A FOCUS ON **EXCELLENCE**

COMMITMENT TO THE PLANET

HELPING TO IMPROVE THE WELLBEING OF THE **BODY, MIND AND SOUL**, FROM A CONCEPT OF ETHICAL AND SUSTAINABLE HIGH QUALITY NATURAL COSMETICS.

THE ORIGIN OF
OUR COSMETICS:
NATURE

Natural ingredient
selected for their
excellence.

Our very own crops or selected
harvests from certified suppliers.

Respect for the cycles
of nature.

Our own
biodynamic garden.

COMMITTED TO THE ENVIRONMENT

100% production with
our own photovoltaic
energy.

RPET. Recycled and recyclable
packaging. Single-material plastics
that are more easily recyclable.

Our goal for 2023 –
a commitment to reduce
cardboard in packaging and
non-recycled plastics.

PRODUCTION PROCESS

ANCESTRAL WISDOM,
TRADITION AND
TECHNOLOGY

Ancient alchemic techniques and an extensive technological know how applied to our very own production process ensure the excellence of a product manufactured in optimum units to guarantee its freshness, avoiding the methodologies of the mainstream cosmetics industry.

We process the finest ingredients that nature has to offer using ancient wisdom, traditional methods and 21st century technology.

We do not manufacture product for other companies. Our recycled and recyclable packages are certified under *UNE- EN ISO 22716* on the good practices in product manufacture *Greenpeace. Green Label.*
