Thank you for your interest in becoming a vendor at The Village at Pineridge Hollow Market!

Our market has been around for 20 years and has a rich history in serving the local community in Oakbank and surrounding areas. A thriving market has always been a vision for Pineridge Hollow. We love to see our previous vendors return with fresh ideas, and welcome new sellers as well. As a local business, we want to help other vendors around the community excel in what they do.

Over the years as Pineridge Hollow has grown, so has our market clientele. We see an average of 1000 people a day in our peak season that come from across Manitoba (and beyond) to attend during the summer months as tourists and visitors.

What started out as a vision to bring local growers and makers together a few hours on a Saturday morning, serving the local community with organic foods and new ideas has transpired into a year round venture with the addition of our beautiful state of the art market building with crafted beams, white washed cathedral ceilings and wall to wall windows. Situated in our beautiful forest, this truly is a magical place to experience any time of the year.

Our new building can accommodate 32 vendors indoors year round and 52 vendors seasonally with outdoor covered veranda booths during warmer months.

We are looking for artists, farmers, bakers, and makers who are enthusiastic about their product and looking to create a positive experience for those who come to the market. We take pride in the market that we run and therefore, are looking for vendors who take pride in their work and do all things with excellence. We want to support you, help you succeed and make the most of your market experience here at Pineridge Hollow.

Please fill out the form below so we can learn more about you and your business. Completed applications will be reviewed by our Market team.
