Hobolite

MINI

PORTABLE CONTINUOUS LED LIGHT

The Hobolite Mini is a micro studio wherever you need it.

Weighing in **under a pound** and packing **20W of power**, it provides professional lighting where and when you need it. The light output ranges from 2700K - 6500K with excellent CRI and a focusable lens allowing for adjustable beam control from 15° spot light to 45° floodlight. Accessory attachments can diffuse or focus the output further.

Hobolite MINI - Standard Kit

CCT:

2700K - 6500K

- **Superior product performance** – 20W of power and light output range from 2700K – 6500K
- **Classic, stylish and award-winning design** – 2022 IF Design Award & Red Dot Award with environmentally-friendly faux-leather detailing.
- **Optimized and designed for portability** to increase the ease of transport, set up and overall on-location mobility
- **Compact, lightweight**, and made from high-quality materials
- **Quality and softness of light** – even without a softbox, the diffused light is nicely softened with smooth shadow transitions
- **Built-in** smooth dimming
- **Easy-to-use integral accessories** such as barndoors, gels, lenses, softboxes, stands etc. (sold separately)
- **Built-in** 3000mAh 7.4V, 22.2Wh Rechargeable Li-Ion battery
- **Between 320 and 1020 mins run time** from a full charge with the Hobolite 95Kwh V-Mount battery (sold separately)
- **1-year** warranty

WARRANTY TERMS

We provide a one-year warranty period for the original buyer of the product. For the detailed warranty scope, please log in to our website: www.hobolite.com.

Important notes:

- Please retain your original purchase invoice and warranty card and ensure that the complete supplier information is on the invoice, including the purchase date and product serial number, which will be needed when making a claim against the warranty.

The warranty does not cover:

- Damage caused by improper use, false wiring, incompatible, poor quality or mis-adjusted external devices.
- Damage to the appearance of the product from mishandling or abuse
- Exposure to rain or water.
- Damage caused by transportation. Please contact your dealer to issue a claim.

The warranty will be invalid if:

- The product serial number has been torn off or can't be identified.
- The product has been repaired or modified by unauthorized persons.
