Hobolite

PRO

PORTABLE CONTINUOUS LED LIGHT

The Hobolite Pro is a professional grade powerful continuous light.

Packing **300W of power**, it provides professional lighting where and when you need it. The light output ranges from 2700K - 6500K with excellent CRI. Standard Bowens Mount lens allows you to use any accessory attachment to modify light to modify the light output however you choose.

Hobolite PRO
Creator Kit

CCT:

- **Superior product performance** – 300W of power and light output range from 2700K – 6500K
- **Classic, stylish and award-winning design** – 2022 IF Design Award & Red Dot Award with environmentally-friendly faux-leather detailing
- **Optimized and designed for portability** to increase the ease of transport, set up and overall on-location mobility
- **Compact, lightweight**, and made from high-quality materials
- **Quality and softness of light** – even without a softbox, the diffused light is nicely softened with smooth shadow transitions

- **High-quality detachable LCD/wireless control panel**
- **Built-in** smooth dimming
- **Easy-to-use integral accessories** such as barndoors, gels, lenses, softboxes, stands etc. (sold separately)
- **AC/DC power supply** allows the Pro to run off main power or via dual V-Mount battery. Set includes 2x Hobolite V-Mount Battery 95Wh and Dual DC Battery Charger. Expect maximum 132 mins of battery life off a full charge with two batteries depending on usage
- **Standard Bowens Mount** compatible with aftermarket light modifiers

WARRANTY TERMS

We provide a one-year warranty period for the original buyer of the product. For the detailed warranty scope, please log in to our website: www.hobolite.com.

Important notes:

- Please retain your original purchase invoice and warranty card and ensure that the complete supplier information is on the invoice, including the purchase date and product serial number, which will be needed when making a claim against the warranty.

The warranty does not cover:

- Damage caused by improper use, false wiring, incompatible, poor quality or mis-adjusted external devices.
- Damage to the appearance of the product from mishandling or abuse
- Exposure to rain or water.
- Damage caused by transportation. Please contact your dealer to issue a claim.

The warranty will be invalid if:

- The product serial number has been torn off or can't be identified.
- The product has been repaired or modified by unauthorized persons.
